**P&C MEETING**

Our next meeting will be on Monday 11th June at 3:15pm

**Under 8’s Day and National Simultaneous Storytime**

More photos inside!
It has been a busy fortnight for the students and staff of Mount Mee. In our annual Naplan tests the year 3 & 5 students needed to engage large doses of the following Habits of Mind in order to gain personal success: persisting, striving for accuracy and applying past knowledge to new situations. Well done to those students for their efforts. Thank you also to the parent volunteers and P&C for providing a nutritious breakfast on the three days of testing. We have also enjoyed another fabulous Bingo night hosted by the hard working P&C committee. Thank you to all the families who braved the cold to join us for a night of fun. Special congratulations to Mr M on your $100 Jackpot win...your shout at the tuck-shop next week?

On a more sombre note we send our heartfelt thoughts to the Jolly family. Today Millie is undergoing one of her first major surgeries to repair her foot. We look forward to hearing positive news.

**Visiting pre-service teacher**
Next week we will be joined by pre-service teacher Ms Sophie Kettyles from the University of Derby, UK. Sophie will be working in the year 5/6 classroom for the week. Sophie has chosen to study Comparative Education and is required to spend some time in a school setting researching our education system. How lucky are we to have an international guest choose Mount Mee State School. I’m sure everyone will make Sophie feel very welcome during her stay.

**Buzzoroma: School Spelling Competition**
Congratulations to: Kaleb (yr1), Rory (yr2), James (yr3), Jaymin (yr4), Liam (yr5) and Sophie (yr6) for being the year level winners of our Buzzoroma. These six students will compete in the Grand Final on Friday 1 June at 2pm in the undercover area.

**Sports Shirts and New District Athletics Sport Event**
Sports Day is just around the corner (Wednesday, Week 8). The school uniform shop has sports shirts for sale. Hayley, Monica and Charlotte look terrific in the Dahmongah and Coongarra shirts! Don’t forget the shirts can also be worn on Thursdays for P.E. This will allow you to get more use for your money.

Our 10 - 12 year old children who enjoy middle distance running will be excited to learn there is a new event on the District Athletics program. 1500m is now being offered. This means we will be having two run-off events in week 7. 800m on Monday 28 May and 1500m on Friday 1 June.
Important Report Card Information

Classroom teachers are currently in the early stages of writing individual reports for their students. Each report card will have a behaviour rating and comment for parents and caregivers to gauge how their child is progressing with making appropriate behaviour choices in the school context. Each report card also has a comment for each Key Learning Area of The Australian Curriculum. This year our comments have been streamlined so each subject area is explicit in stating the curriculum covered, a link to the achievement standard focus and the achievement of the student.

Q: What are achievement standards and how have they been developed?

A: Each achievement standard comprises:

- A description of the quality of expected learning at a particular year level.
- The achievement standards focus on the depth of understanding, extent of knowledge and sophistication of skills expected in each learning area and can be read as a sequence across P-10.
- They describe and illustrate growth and development in the learning area.
- Students who achieve the standard are well able to progress to the next level.
On Wednesday the classes joined together to celebrate Under 8s Day and Simultaneous Reading Storytime. Once again we were entertained by the theatrical reading of the feature book Hickory Dickory Dash by Mr. M. All of the children enjoyed engaging in rotational activities focused on celebrating the importance of early childhood education; promoting the value of reading and literacy and engaging in Australia’s Indigenous culture.
Australian Squad Selection for Liam Owens

Liam Owens will join the best young talent in the nation as they compete for selection in the World Junior Motocross in August.

He joins an Australian squad of 46 riders vying for one of seven spots on the 65cc - 12 year age group to compete at the World championships in Horsham on the 26th August.

Liam’s commitment to his heavy training regime is to be admired. He never falters in his determination, persistence and desire for accuracy. Congratulations Liam!

The school community wish you every success in your goal of team selection in the Australian squad.

Week of Wellbeing Tip for Week 7 from Chappy

Go for a walk or bike ride and take a camera with you. Stop frequently and take pictures of what interests you along the way such as flowers, animals & landmarks.
Hello! We have had 6 weeks of this term fly by and what fun we have had so far.

Breakfast Club continues each Friday morning – thank you for those donations of food items!

Unlimited for the Grade 6 Boys continues. Our last two sessions were all about ‘Potential’ and ‘Trust’ and how this affects our team work and leadership skills.

We have been having a blast in SUPA Club, learning from some Bible stories including Joseph and the Rainbow Coat. As you can see below, the students had fun making their own rainbow coats on their student models!

Chappy Week was celebrated on Wednesday lunchtime with a delicious sausage sizzle. We managed to raise approximately $120 through gold coin donations for our Unlimited Excursion. Thank you for your support! Thank you also to Michael Wallis, Regan, Rhonda Lange and Pete Black who worked tirelessly to organise, cook and serve our fabulous sausages and bread.

Take care,

Chappy Shannon
Hi Everyone,

Well we have had quite a busy month.

**Mothers’ Day Stall**

A huge thank you to Vanessa Mead and Alice Matthews for all their hard work shopping and wrapping gifts for this Mothers’ day stall. The gifts were very popular with the students who were keen to purchase special gifts for mum. This was a great little fundraiser for the school. Also I would like to thank our treasurer, Melissa for running the Mothers’ day stall on both days.

**Bingo Night**

Our Bingo night is done and dusted. A great time was had by all. A huge thank you to Pete and Jen Graham who were our bingo callers on the night. They did an awesome job and gave everyone plenty of laughs on the way. Congratulations to our $100 Jackpot winners on the night. Thanks to our parents who kindly donated chocolates for the prizes. We would like to make this night a regular event as it is a great way for the community to get together, have some fun and raise money for our school. We are hoping that this event can grow to become even bigger and better over time so any suggestions/ideas for improvements would be greatly appreciated.

**NAPLAN Breakfasts**

Thanks so much to all our helpers for the NAPLAN breakfasts. It was a real hit with the students.

A big thanks to Toni Slama, Pete Black and Rhonda for taking time out of their busy days to run the breakfasts.

**Bunnings BBQ**

The P&C are booked in for the Bunnings BBQ at Morayfield on the 10/06/2018. We will need a minimum of 3 helpers at any one time during the day. This is a great opportunity for the school as we made over $1000 the last time we did one of these BBQs. See below for some of the nominated times below. Please contact us if you think you could volunteer at one of these times. We also welcome home bake donations to sell on the day.

KIDS PASSPORT TO FUN
Street Parade
Blacksmith Demonstrations
DidgEra - musician
All day Live Entertainment
Pineapple Pie Eating Competition
Dayboro Waterless Raft Race
More Market Stalls than you can poke a stick at!
Amusement Rides; Camel Rides

8.00 am Gospel Service – Uniting Church, Dayboro

8.30 am All day entertainment commences at the stage in Roderick Cruice Park.

8.30 am The Kids Passport to Fun starts at Dayboro Conversations marquee until the last passport is processed.
Here they pick up their Passport to Fun bag. They then make their way to all the stops on the Passport and pick up more goodies. Once they have collected all the stamps on their Passport, they return their Passport to the Entry Box at the Conversations marquee by 1pm to go into the draw to win one of 25 QBD book vouchers.

9.00 am All the Street Stalls are open for business

10.00 am Dayboro Day Festival Parade

10.30 am till 1.30pm Conversations

1.30 pm Dayboro Waterless Raft Race is one event not to be missed. Our not for profit local associations go head to head and the competition is fierce! Well it’s wetter than it should be! They flash by so fast you have to be ready to watch. You will laugh at the antics they get up to.

2.00 pm The Pineapple Pie Eating competition is just heaps of fun to be in and to watch. They get up to all sorts of antics.
Junior and senior event. Nominate for the competition at the Conversations marquee by 1pm

All day Chopper Rides have proved a popular addition to the festival with this year no exception. Get in early to secure your flight.

Dayboro Conversations 2018 Program
