

Great Results Guarantee

**Under the agreement for 2015
Mount Mee State School will receive**

\$21,010*

*Estimated on 2014 data. Actual funding will be determined after 2015 enrolment data is finalised.

This funding will be used to

- Increase the percentage of students in the bands above National Minimum Standards in Reading and Writing.
- Increase the percentage of students in the bands above the National Minimum Standards in Numeracy.
- Increase the proportion of students in NAPLAN Upper 2 Bands for Years 3 and 5 Numeracy.
- Improve teacher capability in NAPLAN and school based data analysis and pedagogical practices in order to address individual student needs.

Our strategy will be to

- Link with tertiary institutions to diagnose hearing and vision difficulties across the student body to ensure equitable access to education by all students.
- Improve teacher capability in data analysis and pedagogical practices.
- Enhance teacher capability in the teaching of Literacy and Numeracy utilising professional development opportunities, cognitive coaching and teacher observation and feedback model.
- Develop and implement parent programs to engage and strengthen partnerships and to up skill parents in the area of Numeracy.
- Improve working memory of students operating at or below the National Minimum Standards in Reading, Writing and Numeracy.
- Provide intervention programs in reading for targeted students.

Our school will improve student outcomes by

| | |
|--|----------|
| Increasing Teacher Aide support across school to assist in the implementation of literacy and numeracy, and the implementation of the Cogmed Working Memory Program. | \$11 000 |
| Renewal of License for Cogmed working memory Program | \$300 |
| Hearing and Vision tests to ensure an equitable education for students | \$750 |
