

# Investing for Success

## Under this agreement for 2016 Mount Mee State School will receive

**\$23,200\***

### This funding will be used to

- Increase the percentage of students in the bands above National Minimum Standard in Reading and Writing.
- Increase the percentage of students in the bands above National Minimum Standard in Numeracy.
- Increase the proportion of students in NAPLAN Upper 2 Bands for Year 3 and Year 5 Numeracy.
- Improve teacher capability in NAPLAN and school based data analysis.
- Develop teacher capability regarding pedagogical practices in order to address individual student needs.

### Our initiatives include

- Improve teacher capability regarding data analysis and pedagogical practices.
- Enhance teacher capability in the teaching of Literacy and Numeracy utilizing professional development opportunities, cognitive coaching and a teacher observation and feedback model.
- Develop and implement parent programs to strengthen partnerships and to upskill parents in the areas of Numeracy and Reading.
- Provide intervention programs in Reading, Spelling and Numeracy for targeted students.
- Purchase additional iPads and apps to support Literacy and Numeracy development of targeted students.
- Participate in online programs for both targeted students and general student population to support development of Reading and Numeracy.

### Our school will improve student outcomes by

- |   |         |
|---|---------|
| • Increasing teacher aide support across the school to assist in the implementation of Literacy and Numeracy programs and the implementation of Target Zero: school based intervention program. | \$7,223 |
