### Our school strategies are on track to meet or exceed our targets

During 2014, we have focused on maximising the benefits of this funding for our students. After reviewing our *Great Results Guarantee* agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. We continue to implement our strategies to ensure that every student succeeds.

Strategies implemented include:

- Sustaining and extending targeted Literacy intervention
- Investing in processes to identify students requiring intervention in Numeracy.
- Addressing the reasons why students struggle to engage in learning improvement due to Working Memory and Dyslexia and the inclusion of researched programs to support these challenges.
- Developing the capacity of Teachers and Teacher Aides to support targeted individual improvement.
